

**“Those who expect to reap
the blessings of freedom,
must, like men, undergo the
fatigues of supporting it.”**

Thomas Paine

At no time, since the founding of our nation, has there been so great a need for men to stand together to protect the liberties and freedoms handed down to us than today.

Will you stand by, as many have done in the past, and let others risk their “lives, fortunes and sacred honor” to defend YOUR freedom?

Or will you join the ranks of patriots nationwide in preparing to defend what God has given you, and which NO MAN may take away... except by your acquiescence.

“These are the times that try men's souls. The summer soldier and the sunshine patriot will, in this crisis, shrink from the service of his country; but he that stands it now, deserves the love and thanks of man and woman.”
